- This year, the public will also be able to vote for the best poster. This vote will only be open to people registered for the Symposium. If you are the author, you can choose from the other posters. Votes for your own poster will not be counted.
- Details and the voting link will be available at the symposium check-in and you will only be allowed to vote once.
- The two most voted posters will be awarded. In the event of a tie, the works will share the prize money equally and receive a certificate.

Poster Guidelines

- **The posters must be in English**
- The printing of posters will be the responsibility of the authors
- Measurements for the poster: 120 cm HIGH x 90 cm WIDTH.
- The organizing committee are not responsible for delivering/receiving materials at the venue. Each author is responsible for printing their poster, as well as delivering or collecting the material. Participants can choose to print in the city of the event or take printed material from their city of origin.
- If you prefer to take printed material from your city of origin, remember that if you use a wooden banner, you will have to check it in at the airport. We suggest using non-reusable material (paper).
- Posters must be fixed in the places determined by the event's organizing.

Prize

1st Prize: R\$ 1000,00

2nd Prize: R\$ 500,00

- The announcement of the winning works will take place during the Farewell Ceremony.
- The prize will be credited to your bank account within 90 days of the event.
