

CIR 874 INTERDISCIPLINAR SEMINARS

Workload: 30 h

Credits: 02

Nature: Optional Master and PhD

Nature: Optional M and D

Professors: Discipline coordinated by Prof. Alexandre Varella Giannetti and participation of all the teachers of the Program

Discipline Syllabus: Its objective is to promote interactivity between the different areas of knowledge in order to expand interdisciplinary collaborations and, to promote experiences that will add new values to research, within a trans and multidisciplinary context. The seminars will take place throughout the year and will be led by different teachers of the Program who will be responsible for organizing the event according to their area of activity, emphasizing trans and interdisciplinary dialogue. The evaluation should consider attendance, participation in activities and integration with colleagues and the teacher.

Bibliographical References: To be defined according to the theme of each seminar.
